TEAM SPORTS AREN'T JUST FOR ATHLETES

They can also benefit businesses in surprising ways!

Recent studies show that employees who participate in team sports have higher job satisfaction, improved interpersonal relationships, and increased motivation.

At APISC, we make it easy for your employees to join a team and experience these benefits for themselves. Sign up your office team for our mixed netball or futsal leagues and get the first 2 games free! Or, let us create a custom fixture to suit the needs of your organisation.

Joining a team is a great way to improve communication, build team spirit, and enhance productivity. It's also a fun way to stay active and make new friends.
